ATTEND PAPERFEST AND GET A "SAFE RIDE HOME"

Paperfest is pleased to announce receipt of a 2009 Summer Community Event grant from the Department of Transportation. These funds are in conjunction with the "ZERO in Wisconsin" campaign. With these one-time funds, Paperfest is sponsoring a "SAFE RIDE HOME" program.

On Friday, July 17th and Saturday, July 18th, starting at 10:30 p.m. - 12:30 a.m., we

are offering free shuttle bus service available for residents of Kimberly, Combined Locks, Kaukauna and Little Chute (Quad Communities). For those residing outside the Quad Communities (within a 15 mile radius), we will offer a free taxi service.

The shuttle bus and taxi is only taking Paperfest attendees from Sunset Park, Kimberly to their residence.

Paperfest requests that festival attendees drink responsibly and take advantage of the free "SAFE RIDE HOME" program and keep our roads safe.

...IT'S ALL ABOUT COMMUNITY!
